

# ST MARY'S GOVERNORS' NEWSLETTER

FEBRUARY 2013

## DEAR PARENTS,

In our Autumn newsletter we wrote that we had voted to ask the borough to begin the formal process to look at expanding the school. We can confirm that we will be taking 60 children into reception in September 2013 although this extra class is not part of a formal expansion.

Consultants have visited us and we are awaiting their report and plans. Governors will spend time reflecting on those plans in order to discern the way forward.

Once we know this we will share these plans with you and start the formal consultation process. We are working on a question and answer sheet for parents which we are aiming to get out to you as soon as we know that expansion here is viable.

We are aware of the significant issues that lay along the way and hope that once the consultation is launched you feel able to approach any of us and Mr Marsh to raise any issues you may have.

Best wishes

*Jacqui Corley*

Our school family at St Mary's wants this to be a safe, caring, creative and happy place, where we all have a fair chance to learn and grow together and to do the best we can.

We do this by knowing and loving Jesus more and more everyday and by following his teachings in a joyful way.
