RE: Repairs to the ceiling in 2L

Dear Parents

We anticipate that work to remove and replace the ceiling in 2L will commence before the end of this week. I am writing to ask you to be mindful of any barriers and signs which maybe put up during the duration of the work.

Workmen will not be active at drop off and pick up time but they will be working before, during and after school in order to get the work completed as soon as possible. Please keep smaller children with you and be vigilant if you are in this part of the school site.

Yours sincerely

F Marsh
