

Dear parents,

22nd September 2016

As part of their Enterprise topic this year, 4E will be going on a school trip to Yoti in Charing Cross on the **7th October**. This business is working with clients to help them share and protect their personal information. The main skills the children will be focussing on for this trip will be 'Sharing Ideas' and 'Problem Solving'.

The trip does not include lunch which means that all children will need to bring a **packed lunch for the day**. Children **must all be in school uniform**.

We also ask for any parent volunteers at this stage so if you would like to help on the trip then please fill in the form below and return it to Miss Evans by Monday 26th September.

Many thanks,

Miss Evans
