

ST MARY'S PRIMARY SCHOOL, ISLEWORTH

Dear Parents,

25th April 2016

As part of their Enabling Enterprise project this term, we have been given the opportunity to take 30 children to 'Hounslow Highways' in Hounslow on Wednesday 11th May. To be as fair as possible 15 children from each Y3 class have been randomly chosen.

Sadly, on this occasion your child has not been chosen. However, the children remaining in school will be researching an inventor and designing a gadget.

Yours sincerely,

Miss F. Lloyd & Mrs S. Millett
Class Teachers
